## Scenic Country Roads, Five Auto Collections & A Grand Concours...

There will be *two* days of caravanning through the back, rolling hills of scenic Columbiana County, Ohio...and neighboring Stark ng County. Over the course of three days, you will visit five (private) vintage automobile collections not open to the public, tour the Canton Classic Car Museum; plus visit Leetonia, Ohio with a stop at the Coke Oven Arboretum and the fabulous Hillcrest Mansion. Our meals will be “top shelf” at each venue {Jackets for dinners}.

Our *Concours show* will be at the Salem Golf Club...on the course. Show participants need not have been on the Mini-CARavan – do one or the other...or both! Just make your intentions known in the sign-up section. Lunch during the show day will be available (with coupon) at the Clubhouse any time during the day. Cocktails and the Grand Banquet will be held at the Club later that evening. And, kids and/or grandkids are welcome!
